

FRIDAY 5TH APRIL 2019

# Mile Cross Primary School

Working As One.

This week **Nursery** have been preparing for Easter by making some Easter Nests.

**Reception** enjoyed the sunshine at the beginning of the week by going on a number hunt. The children worked in pairs to find number cards (0-20) which they ordered to make a giant number line.

This week, **Year 1** learnt about the Easter story. We also made easter cards to give to our loved ones to celebrate Easter.

This week in science **Year 2** created a habitat for Earthworms. We are leaving the wormeries over Easter in a cool place and will look at them after the holidays to see what has happened.

This week **Year 3** we visited Salle Farm as part of our Food Discovery project. We explored the Secret Walled Garden and learnt about the varieties of fruit, vegetables and herbs that are grown at the farm. We also enjoyed looking at the farm machinery!

**Year 4** have been putting the final touches in their Design & Technology project to make Ancient Egyptian canopic jars.

This week **Year 5** visited Anglia Square to research the history - right back to when it was known as Stump Cross - and take photos using iPads of the surrounding area. We'll be using these photos in screen prints after Easter.

In science in **Year 6** this week, we looked at how humans may need to evolve to survive in hundreds of years time. We created our own human from the future.

## Easter Services changes

It was great to see so many of you at the Easter Services earlier in the week. Hopefully the new format meant that more of you were able to have a seat and be nearer to the performances. **We need your feedback** - positives and areas to improve on, so please use the 'Feedback' section on the school website or simply speak with one of us on the playground to share your thoughts. Thank you.

## Summer Term

It's that time already! Please note that we will be returning to school on Tuesday 23rd April (straight after the Easter Weekend and Bank Holiday) for a very busy Summer term. We look forward to welcoming you to the school again for the packed summer term we've got planned.

Here are the Golden Tickets that were presented to the children last week . The winners each week will be a child from each class who has read at least 5 times a week, has completed their homework, attended school all week (on time) and has an amazing 'can do' attitude towards their learning. Winners will be going, subject to attendance, on the next Attendance Reward Trip which is being decided by School Council.

**Reception: Logan Bedford & Xhino Hyka**  
**Year 1: Mahir Mohammed & Lexi Westfield**  
**Year 2: Michael Shipman & Jessica Grublyte**  
**Year 3: Joshua Ellis & Gracie Calver**  
**Year 4: Nikita Louise Shipman & Jayden Kerslake**  
**Year 5: Harlei Clulow & Cyrus Horth**  
**Year 6: Oliver Allen & Callum Grimwood**

## Good Friday workshop and service

What's good about Good Friday?

You are invited and join us at St Catherine's church hall on 19 April from 10.00am- 12.00 noon for a good Friday workshop including Drama, Crafts, singing and more

At 11.30 we will have our Good Friday Service that willing children will take part in.

Children under 5 must be accompanied by an adult/ carer. If you wish to leave older children then please fill out the consent form. If we do not have a consent form you can not leave your child!
