

Sound

Year 4 Spring Term

Think deeply about...

How do we hear sounds?
Why are some sound loud and some sounds quiet?
How are different sounds made?

Learn...

How sound is made.
How does sound travel to an ear.
What makes a sound louder or quieter.
Prove that sounds are caused by vibrations.

Use...

Vocabulary

vibrate vibration vibrating air medium
ear hear sound volume pitch sound
faint fainter loud louder string
percussion woodwind brass insulate
