# Mile Cross Primary Complaints Policy

## General Principles:

- This procedure is intended to allow you to raise a concern or complaint relating to the school, or the services that it provides.
- An anonymous concern or complaint will not be investigated **under this procedure**, unless there are exceptional circumstances.
- To enable a proper investigation, concerns or complaints should be brought to the attention of the school as soon as possible. In general, any matter raised more than 3 months after the event, being complained of, will not be considered.

## Early Years Entitlement:

If you are not satisfied that your child is receiving the free entitlement in the correct way (as set out in the local funding agreement and in Early Education and Childcare Statutory guidance for local authorities), a complaint can be submitted directly to Mr. Allen (Headteacher).

## Raising a concern or complaint

### Informal Stage

It is normally appropriate to communicate directly with the member of staff concerned. This may be by letter, by telephone or in person by appointment, requested via the school office. Many concerns can be resolved by simple clarification or the provision of information and it is anticipated that most complaints will be resolved by this informal stage.

You may wish to use the school's website (feedback/complaints section) at [www.milecrossprimary.com](http://www.milecrossprimary.com) in which a member of staff will hope to respond to any concerns you raise within 48 hours.

In the case of serious concerns it may be appropriate to address them directly to the Head Teacher (or to the Chair of the governing body, if the complaint is about the Head Teacher).

If you are uncertain about who to contact, please seek advice from the school office or the Clerk to the governing body.

### Formal Stage

If your concern or complaint is not resolved at the informal stage you may choose to put the complaint in writing and pass it to the Head Teacher, who will be responsible for ensuring that it is investigated appropriately. If the complaint is about the Head

Teacher, your complaint should be passed to the Clerk to the governing body, for the attention of the Chair of the governing body.

A Complaint Form is provided to assist you.

You should include details which might assist the investigation, such as names of potential witnesses, dates and times of events, and copies of relevant documents.

It is very important that you include a clear statement of the actions that you would like the school to take to resolve your concern. Without this, it is much more difficult to proceed.

Please pass the completed form, in a sealed envelope to the school office. The envelope should be addressed to the Head Teacher, or to the Chair of the governing body, as appropriate.

The Head Teacher (or Chair) may invite you to a meeting to clarify your concerns and to explore the possibility of an informal resolution. If you accept that invitation, you may be accompanied by a friend, if you wish, to assist you in explaining the nature of your concerns.

It is possible that your complaint will be resolved through a meeting with the Head Teacher (or Chair). If not, arrangements will be made for the matter to be fully investigated, using the appropriate procedure. In any case you should learn in writing, usually within 5 working days of the school receiving your formal complaint, of how the school intends to proceed. This notification should include an indication of the anticipated timescale.

Any investigation will begin as soon as possible and when it has been concluded, you will be informed in writing of its conclusion.

If you are not satisfied with the manner in which the process has been followed, you may request that the governing body reviews the process followed by the school, in handling the complaint. Any such request must be made in writing to the clerk to the governing body, within 10 school days of receiving notice of the outcome, and include a statement specifying any perceived failures to follow the procedure. The procedure described below will be followed. A Review Request form is provided for your convenience.

### **Review Process**

Any review of the process followed by the school will be conducted by a panel of three members of the governing body. This will usually take place within 10 school days of receipt of your request.

The review will normally be conducted through a consideration of written submissions, but reasonable requests to make oral representations should be considered sympathetically.

**Acknowledgements of receipt of formal complaint and advising complainant that the matter is being dealt with under a confidential school procedure**

Dear .....

I have received your formal complaint, dated ..... . I am grateful that you have brought this to my attention.

The school and governing body take any complaint seriously. Therefore I have initiated an immediate investigation. It is possible that the investigator will wish to meet with you to clarify the evidence that you have provided so far. If so, he/she will write to you to make suitable arrangements.

As your concerns relate to the conduct/capability of a member of staff, the investigation will be carried out under the school's personnel procedures. This means that the detail of the procedure and its outcome **must** remain confidential to the school and the member of staff concerned.

**OR**

As your concerns relate to the behaviour of a pupil, the investigation will be carried out under the school's pupil conduct and disciplinary procedures. This means that the detail of the procedure and its outcome must remain confidential to the school and the parents of the child concerned.

In due course, I may be able to provide you with some information about the outcomes of the investigation and the processes that have been followed, but in any event will let you know when the matter has been concluded.

If I can be of any further assistance, please do let me know.

Yours sincerely,

Head Teacher  
Or Chair of Governing Body
