FRIDAY 6TH MARCH 2020

Mile Cross Primary School

Working As One.

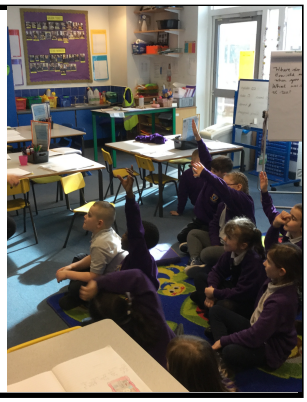
Ofsted Outstanding

Nursery enjoyed listening to lots of different story on World Book Day.

Reception were visited by the fire service and had a great time exploring the fire engine and using the hose.

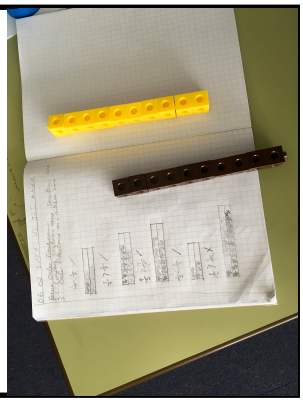
In Science this week, **Year 1** recorded our latest findings of what our cress seeds look like after giving one sunlight, and leaving the other in the dark.

Year 2 have been learning about Captain Cook. We wrote some questions down to ask him when we hot-seat him later on to discover even more.



Year 3 carried out lots of measuring and calculating in our *'Jim and the Beanstalk'* Maths Cafe.

Year 4 have been using bar models to help them work out fraction problems in Maths this week.



Year 5 enjoyed a trip to the castle museum this week to bring their Anglo Saxon and Viking topic to life. We saw real artefacts, made broaches, learnt about story telling and learnt about objects used in burials.

Some **Year 6** children have been filming this week as part of the Norfolk & Norwich Arts Festival for a project called 'Lost & Found'. Watch this space for more
