Review18

The health, safety and well-being of all staff and pupils is of utmost importance to us.

This template does not follow the traditional format for a risk assessment. It only covers the control measures needed to manage the risks presented by COVID-19 as low as is possible, in line with community risk levels, therefore the need for scoring or prioritising control implementation is negated. The measures relate to all the persons who may be affected at your setting staff, pupils and visitors. Settings are required to review the identified control measures and describe how they are implementing these in the notes box. Where a control measure does not apply to your setting you can delete the line or enter NA. You may need to add additional control measures specific to your setting, additional space is provided at the end of the form for this purpose.

The control measures that are now needed are very different to those that were previously required when the consequences associated with COVID-19 were significant. More information on the measures identified here is available in the Compliance Code for all educational settings.

Please note: all COVID-19 guidance is available through HR InfoSpace and Norfolk Schools

For ease of reference, changes that are made to this document are detailed below:

Key infection control measures

Cleaning and disinfection

	<p>The setting has developed specific cleaning schedules for items that need cleaning and disinfection. The schedule details all items, frequencies and who is responsible for this following the information detailed in the compliance code. This includes:</p> <ul style="list-style-type: none"> • Cleaning all touch points including those that are fixed to the premises (inside and out) twice a day • Equipment and resources are disinfected on a twice daily basis as a minimum. <ul style="list-style-type: none"> - Soft furnishings are disinfected with a proprietary fabric disinfectant spray daily. - Frequency of cleaning and disinfection of equipment is increased based on risk e.g. the number of different users who are handling equipment and resources, the ability of users to undertake effective hand hygiene • Consideration has been given to times of high use and frequency of disinfection increased accordingly where possible. • Shared touch points in staff areas such as those on microwaves, kettles, fridges and photocopiers are wiped down before and after use 	Y	Cleaning protocols are undertaken regularly throughout the school by Kier staff.	September 6 th 2021
--	---	---	--	--------------------------------

	<ul style="list-style-type: none"> If a surface is visibly dirty it is always cleaned prior to disinfection. 	Y	Cleaning protocols are undertaken regularly throughout the school by Kier staff.	September 6 th 2021
	<ul style="list-style-type: none"> Different cleaning equipment is provided for kitchens, toilets, classrooms and office areas. 	Y	Cleaning protocols are undertaken regularly throughout the school by Kier staff.	September 6 th 2021
	<p>All Staff who undertake cleaning:</p> <ul style="list-style-type: none"> Know the schedule information. Have received relevant training/instruction Will follow the instructions for cleaning products and disinfectants to ensure it is effective to ensure that all of the surface has disinfectant applied and not to wipe items dry before the required contact time has been achieved. Are provided with disinfectant wipes to enable them to clean and disinfect contact points in teaching spaces and equipment. 	Y	Cleaning protocols are undertaken regularly throughout the school by Kier staff.	September 6 th 2021

Hand hygiene and respiratory hygiene arrangements

Hand hygiene	<ul style="list-style-type: none"> Staff are ensuring that hand hygiene is carried out more frequently than normal (pupils and themselves) in an age appropriate way e.g. observing young pupils, instructing in the class (How to hand rub and NHS guidance for handwashing). Event related prompts are given to pupils by staff.....<i>after..... before.... when</i> as a more effective means of promoting hand hygiene than fixed time prompts. Supervision arrangements are in place to support pupils with handwashing where it is needed. Skin friendly wipes such as baby wipes are provided as an alternative where children are not able to wash their hands due to age or health conditions. Hand hygiene frequencies include: arrival, before and after eating, before and after breaks, going to the toilet, before leaving, after removing a face covering, after handling resources 	Y	<p>Staff continue to follow hand washing routines in accordance with government guidance.</p> <p>Staff establish and promote regular hand washing at key point of the day (e.g. when entering the school at the start of the day, after break times, before lunch etc.</p> <p>Hand hygiene is promoted by staff and in remote assemblies.</p>	September 6 th 2021
--------------	--	---	---	--------------------------------

	<p>(including those taken home) and at other identified intervals determined by the setting in relation to the activities carried out.</p> <ul style="list-style-type: none"> • Pupils and staff are aware of the need to avoid touching their eyes, nose or mouth if hands have not been washed. • Staff and pupils have been advised to avoid wearing rings (except for a plain band) in order to ensure thorough handwashing. • Entrances are supervised on arrival in the morning to support hand sanitising. • Staff, pupils (and parents) are advised that handwashing must be carried out when they arrive at home 			
	Hand washing is carried out using running water (static bowls are not used)	Y	Hand hygiene protocols are followed	September 6 th 2021
	Hand dryers are efficient and effective in quick drying or have been replaced with more efficient dryers or paper towels	Y	Paper towels and efficient dryers are used throughout the school.	September 6 th 2021
	Consideration has been given to replacing traditional taps with easy operating lever taps	N	Taps are regularly cleaned	September 6 th 2021
	<ul style="list-style-type: none"> • Hand sanitiser points are provided at key locations around the site including: at all entrance doors to the setting, at the entrance to toilet facilities, at the entrance to dining facilities, at points of high contact such as near non-automatic doors in corridors, lifts and stairs, classrooms, office facilities etc. • The location of sanitiser points is reviewed where there are changes to use of different areas of the premises. • Hand sanitiser points are checked regularly and stock replenished where necessary. 	Y	Hand hygiene protocols are in place and continue to be followed.	September 6 th 2021
	Consideration has been given to outside points being provided in a manner that enables removal and securing at the end of the day e.g. on tables/temporary or movable stands etc.	Y	Consideration given	September 6 th 2021
	Hand sanitiser points have drip trays to deal with spillages and reduce the slip risk where applicable (such as those affixed to walls)	Y	Slip risks are minimised and areas regularly cleaned/dried.	September 6 th 2021

	Hand sanitiser is stored appropriately and safely according to pupil age and individual risks. Where the provision of hand sanitiser points presents a risk of ingestion, this risk is managed through pupil supervision (contact will be made with Health, Safety and Well-Being where this is not possible)	Y	Hand sanitisers are stored appropriately.	September 6 th 2021
Respiratory Hygiene	<ul style="list-style-type: none"> Tissues and waste bins are provided in classrooms and other areas to ensure good respiratory hygiene. Bins are emptied regularly throughout the day 	Y	In place	September 6 th 2021
