| Christians believe that Jesus is the son of God, who came to Earth in order to save humans from their sins. His death and resurrection opened up the way back to God and restored humanity's relationship with him. This is the Christian concept of salvation The Bible cites many examples where Jesus says he knows he will be going to his death. It says he warned his disciples that "He will be handed over to the Gentiles. They will mock him, insult him, spit on him, flog him and kill him" (Luke 18:32). Later he told the Roman governor, Pilate, "For this reason I was born, and for this I came into the world" (John 18:37). | | Incarnation: God becoming man or literally being "made flesh" so Jesus was God incarnate. | What sacrifices would I be prepared to make for something I felt was right or necessary?
